

Welcome to Three Corners'

May Newsletter

We had a great Easter weekend with the special entertaining Easter show. We have been busy delivering Easter eggs to everyone's room and we had a fun party in the day room. We have more activities planned for this month.

It's lovely to be getting back to normal and allowing visitors once again. We still ask that you phone for an appointment beforehand and do a lateral flow test either before your visit or when you arrive at the home. We have tests that take 10 minutes which can be done at the home if you don't have access to lateral flow tests.

The vaccination team visited the home in April to administer the 4th Covid jab to all residents who were eligible.

Hopefully, we'll continue to have good weather so we can take advantage of the garden and decking area for activities or visits.

The interactive table is proving popular and we're sharing use of a vehicle with Hill House - so residents will be able to go out on trips again!

Staff News

Hi Friends & Family

A big thank you everyone who donated for Ukraine last month – we raised £95 in total and Marta, our directing manager, has matched it to £200! I'm sure the donation will be a great help to many people!

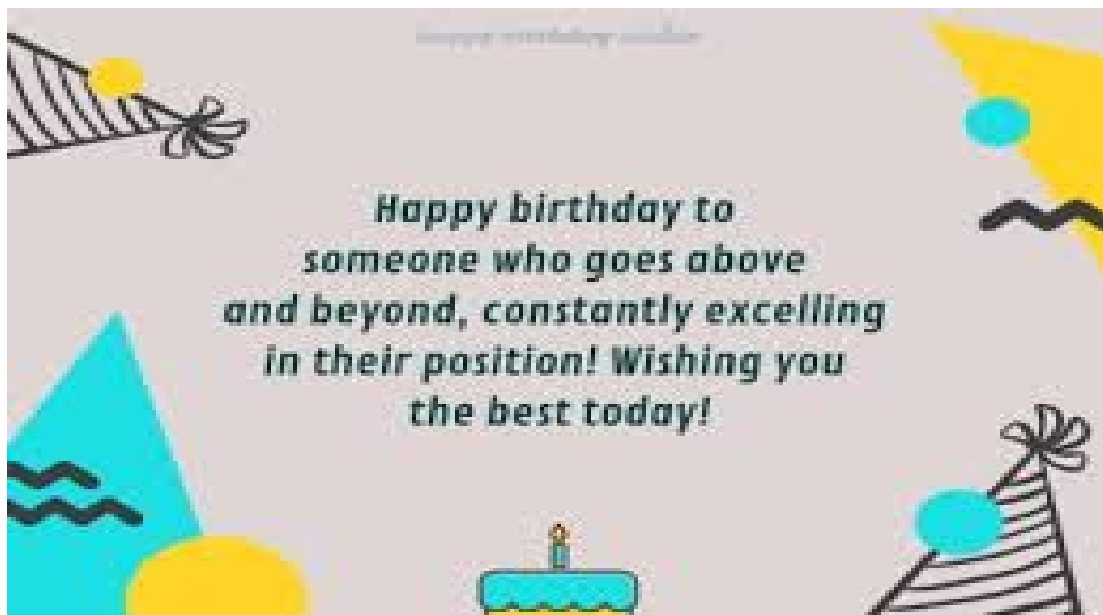

Michelle (Manager) and Ben (Deputy Manager) would like to say thank you to all our residents, families & friends of our residents, and all the staff for understanding and working hard together during this difficult time.

Sadly, Mike has recently left us, and this month, we are also saying goodbye to Jenny!

Good luck and all the very best!

Happy Birthday to our staff...

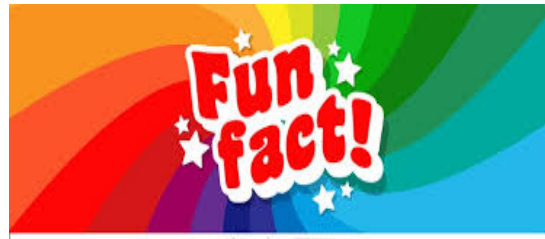

Rachael - 8th May

Rose - 10th May

Laura - 14th May
